

**Radiation Safety Courses given interim approval by the CEO of ARPANSA
(Last updated July 2009)**

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Advanced Manufacturing Technologies Centre (TAFE)	Gauges - Industrial	WA	Bill Roberts	(08) 9382 5722
	Gauges - Logging (Sealed Sources only)	WA	E-Central Campus	(08) 6211 2429
	Gauges - Moisture and/or Density (Portable)	WA		
	Radiography - Industrial	WA		
	Transport (Mt Lawley)	WA		
	X-ray Analysis - Use	WA		
	X-ray Analysis - Use & Service (Restricted)	WA		
		Radiography and Radiation Safety - Module 1144A or Module EA612	NSW	John Mullard
Advanced Technology Testing and Research	Radiation Safety (Industrial radiography)	QLD, NSW	Paul Grosser	(03) 9574 6144
Arrows Express Pty Ltd	Safe Road Transport of Radioactive Substances	QLD	Doug Thorne	(07) 3860 5255
Asia Pacific Institute of Nuclear Science (APINS)	Radiation Safety for X-ray Equipment Personnel	NSW, QLD, ACT	Ann Jordan	(02) 9385 4666
	Radiation Safety for Personnel Servicing X-ray Equipment	ACT		
	Radiation Safety Course	TAS		
Ausrischs Dangerous Goods Training Services	Dangerous Goods Radioactive Course	QLD	Colin Aurisch	(07) 3352 6723
Australian and New Zealand Bone Mineral Society	Densitometry Training Course Technologists Syllabus: Certificate of Completion in Clinical Bone Densitometry	NSW, QLD, WA	Nick Pocock/ Roger Price	(02) 9256 5405
Australian Centre for Medical Laser Technology	Laser Safety Course (Medical)	WA	Penny Smalley	
Australian Defence Force Academy	Radiation Protection Officer Course	TAS	John Baird	(02) 6268 8279
Australian Institute of Laser Therapy	Courses for Laser Apparatus including Laser Science and Safety Module A (Course Code VBJ585) 8th Edition 2005	QLD	Tina Czech	(03) 9832 0626
	Laser Safety Course (Medical)	WA		

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Australian National University	Ionizing Radiation Safety	NSW	Faye McNevin	(02) 6125 4593
	Workshop for XRD/ XRF Operators	TAS		
Australian Nuclear Science and Technology Organisation (ANSTO)	Advanced Radiation Safety Officer Course	NSW, TAS, ACT	Course Co-coordinator	(02) 9717 9434
	General Radiation Safety Officer Course	NSW, TAS, ACT		
	Industrial Radiation Safety Officer Course	NSW, QLD, TAS, ACT		
	Safe Use of Soil Moisture Gauges	ACT		
	Safe Use of Nuclear Type Soil Moisture and Density Gauges	NSW, QLD, TAS, ACT, WA		
	Safe Use of Industrial Radiation Gauges	NSW, TAS, ACT		
	Radiation Safety for Laboratory Workers	NSW, TAS, ACT		
	Safe Use of X-ray Devices	NSW, TAS, ACT		
	Safe Use of X-ray Devices in Art Conservation Work	ACT		
	Radionuclides in Medicine	ACT		
	Industrial Applications	ACT		
	Radioisotopes	ACT		
	Protection from Ionizing Radiation (PR-10a)	ACT		
Ionizing Radiation Protection	QLD, TAS, ACT			
Australian Orthopaedic Association	Radiation Safety for Orthopaedic Surgeons	QLD	Helen Beh	(02) 9233 3018
Australian Radiation Services	General Radiation Awareness and Cabinet X-ray	NSW	Dr Joseph Young	(03) 9877 4898
	Introductory Course on Radiation Protection	TAS		
	Radiation Awareness Course - Radiation Safety Officer	QLD, TAS		
	Radiation Awareness Course - Safe Handling of Unsealed Radioactive Material	NSW, QLD, TAS		
	Radiation Awareness Course -Transport of Radioactive Material	QLD, TAS		
	Radiation Awareness Course - Radiation Safety in X-ray Analysis	QLD, TAS		
	X-ray Analysis Equipment - Operation of XRD/XRF Units	NSW, TAS		

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Bartolo Safety Management Services	Radiation Safety for Laboratory Workers (unsealed sources)	NSW	Bill Bartolo	(02) 9528 7676
	Safe Use of XRD Equipment in the Laboratory	NSW		
Beckman Coulter	LS-6000 Series Liquid Scintillation Counters	TAS	Cheryl Shorten	(02) 9844 6415
Body Logic	Imaging Sciences i-CAT Initial Onsite Training	QLD, NSW	Aaron Stevens	07 5562 0355
BPB Slimline Services	Radiation Safety (Borehole Logging Equipment)	QLD	D Mylrea	(07) 3881 1969
BTS Medical Physics/ Princess Alexandra Hospital	Radiation Protection for X-ray Equipment Maintenance and Repair Personnel	QLD	Danny Schick	(07) 3240 2002
Canberra Institute of Technology	Fixed Source Radiation Safety	ACT	Health Science Dept	(02) 62073100
	Radiochemistry Safety/ Handling Techniques	ACT		
	Nucleonics AD213	ACT		
C.C.I Pope & Associates Pty.Ltd	Radiation Safety for Industrial Radiographers	QLD	David Cowan	(02) 4967 2788
	Industrial Radiography Safety Course	NSW		
CEIA	Walk Through Metal Detectors	TAS	Stephen Meltz	(02) 8335 1500
Central Queensland University	Industrial Radiation Safety	NSW, QLD, TAS	Dick Metcalfe	(07) 4970 7203 or (07) 4930 9628
	General Radiation Safety - Level 1	TAS		
	General Radiation Safety - Level 2	TAS		
Charles Sturt University	CT for Nuclear Medicine	NSW	Geoff Currie	02 6933 2874
Coffey Geosciences Pty Ltd/ Coffey International	Radiation Safety for Nuclear Soil/Moisture Density Gauges	NSW, ACT	David Anderson	(02) 4967 6377
Consolidated Rutile Ltd	Safe Transportation of Low Level Radioactive Substances from Pinkenba to NSL	QLD	L Santin	
David Thourmine & Associates	Dangerous Goods Training	QLD	David Thourmine	(07) 4773 4151
Dental Medical Technologies International Pty Ltd	Dental Medical Technologies Laser Workshop	QLD	Barry O'Halloran	(03) 8530 3673
Department of Main Roads, QLD	Safe Use and Transport of Soil Density and Moisture Gauges	NSW, QLD	Mark Owtrim	(07) 3834 3040

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Department of Main Roads, WA	Portable Gauges Safety Course	WA		
ETRS Pty Ltd	Radiation Safety in Industrial Radiography	QLD	David Kirk	(07) 3275 2633
Gammasonics Radiological Services	Radiation Safety Training for Cone Beam Dental Digital Tomography	NSW	David Leslie	02 9713 1122
Gemswan (McGurk Medical)	Gauges - Moisture and/or Density (Portable)	WA	Neil McGurk	(08) 9572 4500
	Gauges - Industrial	WA		
Griffith University School of Dentistry and Oral Health	DOH Clinical Dental Practice 1&2	QLD		
Hunter New England Area Health Service	Fluoroscopy Radiation Safety Training Course	NSW	Paul Cardew & Nick Hille	02 4921 3380
Imaging Sciences International (Run in USA)	i-CAT Cone Beam 3D Dental Imaging System - initial On-Site Training (2 Days) and i-CAT Cone Beam 3D Dental Imaging System Hands on Training	NSW	David Hatcher	215 997 56666
Inderlec Australia Pty Ltd	Bone Densitometry Radiation Safety Course	WA	Brian Richardson	(02) 9639 7697
	Dual Energy X-ray Absorptiometry (DEXA) Radiation Safety Course and DEXA Manufacturers Training Certificate	NSW		
International Society of Clinical Densitometry & University of Western Australia	Bone Densitometry Course & Certification Examination: Technologist Track	NSW	Dr Ekaterina Zivanovic	02 9382 6013
	Bone Densitometry Course & Certification Examination: Clinical Track	NSW	Dr Ekaterina Zivanovic	02 9382 6013
JBS Environmental Services Pty Ltd/ JBS Health Physics	Safe Use of Portable XRF Analysers	ACT	Roger Alsop	(02) 8338 1015
	NITON Field Portable XRF Operators Training Program	NSW, QLD		
L3 Communications (Security and Detection Systems)	Technical Course on Itemiser 3	TAS	Phil Waryszczuk	(03) 8645 4500
	Technical Course on PX2000-M & PX TIP Administration	TAS		

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Medical and Scientific Services Pty Ltd	Laser Safety Course (medical and industrial)	WA	Jonathon Thwaites	(08) 9384 6098
	Gauges - Moisture and/or Density (Portable)	WA		
	Radiation Safety Course applicable to the use of fluoroscopic X-ray equipment	WA		
	Diagnostic X-ray Servicing Course	WA		
	Bone Densitometry Radiation Safety Course	WA		
McKavanagh Engineering Services	Industrial Radiation Safety for Soil Moisture and Density Gauges - Level 2	NSW, QLD, TAS	Byron McKavanagh	(07) 3201 2689
	Industrial Radiation Safety - Sealed Source Gauges for intending RSO - Level 1 (sealed sources in non-medical devices)	QLD		
	Industrial Radiation Safety - Borehole Logging Users Course - Level 2	QLD		
Mrs Metro-Dora Clifford	Aesthetic Laser Hair Removal Treatment Information for Beauty Clinic Owners and/or Operators	QLD	Mrs Metro-Dora Clifford	(07) 3350 6897
National On Site Training	Radiation Safety for Laboratory Workers	NSW, QLD	Anthony Barber	(07) 3391 1718
	Radiation Safety Officer Training	QLD		
	Radiation Safety for Users of X-ray Equipment	NSW, QLD		
NSW Area Health Services	NSW Hospital & University RSO Group CT Safety Course for NMTs	NSW	Paul Cardew	02 4921 3380
PANalytical/Philips	XRD & XRF factory training	TAS	Maurice Wicks	(02) 8700 2700
Qantas	Dangerous Goods Training Course	TAS	Michael Montuori	(02) 9691 1430
Queensland Health	Radiation Protection Course - Unsealed Radioactive Substances (teaching and research)	QLD	Ross Kleinschmidt	(07) 3274 9124
	Radiation Physics - Unsealed Radioactive Substances (pathology practice)	QLD		
	Radiation Safety Officer Certificate Course	TAS		
	Course in Basic Radiography	QLD	John McHugh	(07) 3896 3972
	Radiation Safety Training for Vascular Surgeons	QLD	Dr David Thiele	(07) 3406 8007

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Queensland University of Technology	Radiation Safety for X-ray Technologists	QLD	Dr Greg Michael	(07) 3864 1584
	School of Life Sciences, Radioisotopes Facility Induction Program	QLD	Dr Ron Epping	(07) 3864 2576
	Oncological CT (for Nuclear Medicine Technologists)	QLD		
	Computed Tomography for Radiation Therapists	QLD		
	General Radiation Protection	QLD	Dr R Akber	(07) 3864 2906
R & X Nuclear Services Pty Ltd	Industrial Radiation Safety Course	NSW	Frank Galea	(02) 4632 7727
Radiation Protection Services Australasia	Radiation Safety in Dentistry	QLD	Vince Cicchini	(07) 3847 7112
Radiation Safety Services	Gauge Isolation	TAS, WA	Barry Lewington	(08) 9475 0099
	Static Gauges	NSW, TAS		
	Gauges - Industrial	WA		
	Gauges - Logging (Sealed Sources only)	WA		
	Gauges - Moisture and/or Density (Portable)	WA		
	X-ray Analysis (Use and Service - Restricted)	NSW, TAS, WA		
	X-ray Analysis - Diamond Sorting (Use and Restricted Service)	NSW, TAS, WA		
	X-ray Analysis (Operation Only)	TAS, WA		
	X-ray Awareness	TAS, WA		
	Portable Gauging Devices	NSW, TAS		
	Borehole Logging	NSW, TAS		
	Industrial Radiography	NSW, TAS, WA		
	Transport	TAS, WA		
	Radiation Awareness (Electromagnetic Radiation)	TAS		
	Radiation Awareness (Laboratory Applications)	TAS		
Well Logging (Unsealed Radioactive Substances)	WA			

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Radsmart	Industrial Radiation Safety Officer	NSW, TAS, QLD	Gordon Mackenzie	(02) 9520 6340
	Safe Use of X-ray Equipment in the Laboratory Environment	NSW, TAS, QLD		
	Radiation Safety with Portable X-ray Tube XRF Devices	TAS, NSW		
	Radiation Safety in the Installation and Servicing of X-ray Equipment	NSW, TAS, QLD		
	Radiation Safety in the Installation and Maintenance of Brachytherapy Units - Service Technicians	NSW, TAS		
	Radiation Safety for Laboratory Staff	NSW, TAS		
	Radiation Safety in Borehole Logging Operations	NSW, TAS		
	Safe Use of Nuclear Type Soil Moisture and Density Gauges	NSW, TAS, QLD		
	Industrial Radiation Gauge Course	NSW, TAS		
Reeves Wireline Services	Radiation Safety for Operators of Borehole Logging Equipment	WA	Dennis Mylrea	(07) 3881 1969
Royal Brisbane Hospital	Dental Laser Training Course	QLD	Dr Srdjan Diklich	(07) 3365 8105
	In-house PET/CT Training Program for Nuclear Medicine Technologists	QLD		
Royal North Shore Hospital	Radiation Protection Course in Fluoroscopy for Medical Specialists	NSW	Stame George	(02) 9926 7771
Royal Perth Hospital	Radiation Safety Course applicable to the use of fluoroscopic X-ray equipment	WA	Dr David Causer	(08) 9346 4271
Schlumberger Seaco	Gauges/ Logging Safety Course	WA		(08) 9420 4800
Schlumberger Oilfields Australia Pty Ltd	Schlumberger Borehole Logging Radiation Safety Course	QLD		
Security Support Services Pty Ltd	Radiation Safety & Awareness Training	ACT	Mr Len Staggs	(02) 9313 4425
Siemens	Equipment training (ie x-ray, nuclear medicine, magnetic resonance, CT, PET, linear accelerator)	TAS		

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
Silcar Maintenance Services	Radiation Safety Training	TAS		
Sir Charles Gairdner Hospital	Lasers Safety Course (Medical and Industrial)	WA	Dept of Medical Technology	(08) 9346 4271
	Radiation Safety Course applicable to the use of fluoroscopic X-ray equipment	WA		
	Prostate Seed Implantation - A Practical Course	TAS		
	Clinical Bone Densitometry	NSW, WA	Roger Price	(08) 9346 2866
Sirona	Dental x-ray training	TAS	Bobby Trenkovski	(03) 8698 6300
St Vincent's Hospital	Certificate of Completion in Clinical Bone Densitometry	NSW, TAS	Nick Pocock	(02) 8382 2216
TAFE (NSW, VIC, SA)	Radiography and Radiation Safety - Module 1144A or Module EA612	NSW, WA	John Mullard	(02) 4923 7412
TAFE NSW Hunter Institute	Non-Destructive Testing	QLD		
Technology Concepts International (Princess Alexandra Hospital)	Laser Concepts in Healthcare	QLD	Cathy Walker	(07) 3240 7004
Townsville Hospital	Laser Safety Training Program	QLD	John Simpson	(07) 4781 9032
Transqual Pty Ltd	Transport of Radioactive Substances	QLD	Dean Munro	(07) 3344 7977
University of Newcastle	Remote Operators Course	NSW	Tony Smith	(02) 6761 9510
University of New England	Safe Use of Nuclear Type Soil Moisture and Density Gauges	NSW	Jim McFarlane	(02) 6773 3201
	Safe Handling of Radioactive Isotopes	NSW		
University of New South Wales	Radiation Protection Training Course	NSW, TAS	Robert Armstrong	(02) 9385 2912
University of New South Wales @ Australian Defence Force Academy	Laser Safaty - 1 day course	ARPANSA	Business Services	(02) 6268 8135 or (02) 6268 8421
	Laser Safaty - 3.5 day course	ARPANSA		

COURSE PROVIDER	TITLE OF COURSE	APPROVED BY	CONTACT	CONTACT NUMBER
University of Queensland	Safe Use of Soil Moisture & Density Gauges	QLD, TAS	Michael Williamson	(07) 3365 4504
	Introduction to Radiation Protection	TAS		
	Radiation Protection Course (7 Lectures)	QLD, TAS		
	Radiation Safety with Unsealed Sources - An Introductory Course	QLD, TAS		
	Safety with Analytical X-ray Equipment	QLD, TAS	Michael Williamson	(07) 3365 4504
	Lasers and Intense Pulsed Light (IPL) sources for dermatology (skin rejuvenation) and hair removal	QLD		
	Advanced Laser Training Course	QLD		
University of Sydney	Computed Tomography for Nuclear Medicine Technologists (18587x)	NSW	Edwina Adams	(02) 9531 9619
	Bone Mineral Densitometry	NSW	Peter Kench	(02) 9351 9513
University of Western Australia	Unsealed Radioisotope Course	WA	Mike Rafferty	(08) 9380 2307
	Laser Safety in Research	WA		
	X-ray Analysis - Use	WA		
Victorian Health Department, Radiation Safety Unit	Radiation Protection in the Use of Nuclear Density Moisture Gauges	NSW	Radiation Officer	(03) 9637 4167
	Radiation Safety in Industrial Radiography	QLD, TAS		
Westmead Hospital	Theory and Practical Course in Fluoroscopy and Radiation Safety	NSW	Lee Collins	(02) 9845 6533
	Principles and Safe Use of X-ray Equipment	TAS		
	Laser Safety Training Course (ED059)	QLD		
	Laser Safety Officer Training Course (ED061)	QLD
