*Australian Radiation Protection and Nuclear Safety Regulations 2018*

**Declaration that a Facility is not a Prescribed Radiation Facility**

I, Gillian Hirth, CEO of ARPANSA, hereby declare under subsection 13(2) of the Australian Radiation Protection and Nuclear Safety Regulations 2018 (the Regulations) that **mobile betatrons** held by the Australian Defence Force and Department of Defence (Defence) are not Prescribed Radiation Facilities for the purposes of the *Australian Radiation Protection and Nuclear Safety Act 1998* and the Regulations.

I am satisfied that:

- (a) mobile betatrons held by Defence do not pose an unacceptable hazard to the health and safety of people or to the environment; and
- (b) it would be inappropriate for mobile betatrons held by Defence to be prescribed radiation facilities.
