

Australian Government
Australian Radiation Protection
and Nuclear Safety Agency

A photograph of a medical professional, a woman with blonde hair, smiling at the camera. In the background, two other medical professionals, a man and a woman, are looking at a whiteboard in a clinical setting.

The ANRDR is working
with your employer to
maintain your dose history.

Australian Government

Australian Radiation Protection
and Nuclear Safety Agency

A photograph of two workers, a man and a woman, wearing white hard hats and orange safety vests over dark shirts. They are both wearing clear safety glasses and are looking down at a clipboard held by the woman. The background is a blurred industrial or construction site.

When was the last time you
requested **your radiation**
dose history?
