SAFETY ASSURANCE COMMITTEE (SAC)

**SAC1859 -- ANSTO Camperdown 30 MeV Cyclotron and Radiopharmaceutical
Production Decommissioning**

BASIL ELLIS

Building 55a

Approval was given at SAC Meeting No 448 on the 31st August 2010 to submit the licence application for the decommissioning of the 30 MeV Cyclotron and auxiliary items described in the submission to ARPANSA. Further, subject to approval by ARPANSA, approval is given to commence the Phase I decommissioning activities described in the submission.

Separate approval will be required for phase 2 and/or any significant modifications to the detailed submission.
