

Australian Government

Australian Radiation Protection and Nuclear Safety Agency

ARPANSA

Licence Administration Database (LAD)

What does it mean for ARPANSA?

- Central record of licence holder information
- Full inventory of Commonwealth sources holdings
- Direct upload of data
- Efficient searching & reporting

What does it mean for licence holders?

- Changes to forms
- Changes to SIW template
- Facilities with sources will require SIW

The future LAD....

- Produce licences
- Calculate annual licence charges
- Communicate directly with Finance
- Communicate with National Sealed Source Register
- Licence holder access via secure portal
