ARPANSA Radiation Protection Series Publications

ARPANSA publishes the Radiation Protection Series. It replaces the Radiation Health Series, formerly published by National Health and Medical Research Council (NHMRC) and now the responsibility of ARPANSA, as well as the Codes published under the Environment Protection (Nuclear Codes) Act 1978 ('the Nuclear Codes'), which has been repealed.

Publications are available in digital format, and can be downloaded free of charge by visiting ARPANSA's website at: www.arpansa.gov.au/publications

Printed copies of the most publications in the Radiation Protection Series are available for purchase. Further information can be obtained by visiting ARPANSA's website or telephoning 1800 022 333 (freecall within Australia) or (03) 9433 2211.
